

MediPro Health & Rehab

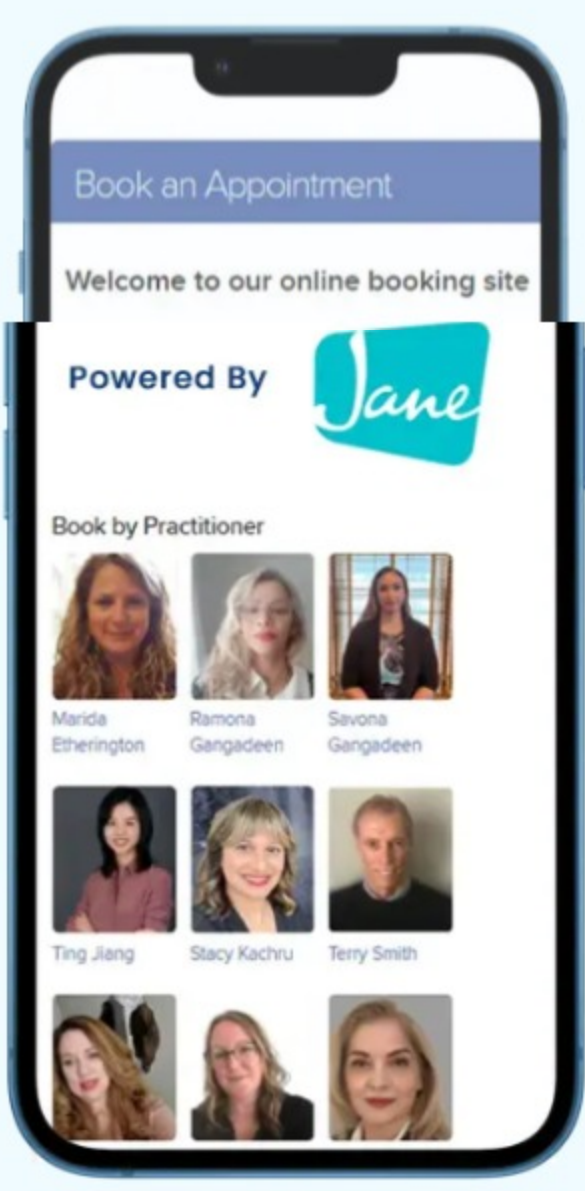

We Offer Both Walk-In and Virtual Clinic Services. Book an appointment with an online practitioner.

Call Now OR Jane App

Save time by booking online. See an online practitioner when health and wellness services.

How It Works

Step 1

Enter the booking platform to book an appointment. Select the preferred appointment type, practitioner, and time.

Step 2

You decide how you'd like to communicate! Your appointment can be by phone, video, or secure messaging, on any device with no app download required.

Step 3

Receive referrals, requisitions, prescriptions, and any other documents you need online.

Both Online and Walk-in consultations are available.

Our Comprehensive Solutions

Our mission is to offer a comprehensive approach that fosters a lasting and constructive influence on the health and well-being of our clientele. We are dedicated to fostering a deeper understanding of mental health and its profound connection to physical well-being. Through educational initiatives, we equip individuals with tools to recognize early signs of mental illness & offer tailored programs nurturing recovery and resilience. Confidentiality
